8. Risk Assessment

- 8.1 The school is committed to providing a wide variety of outdoor activities and visits design to challenge and develop young people. These inevitably feature a degree of risk that demands management. Arrangements will be achieved by a risk assessment led by the Visit Leader for each activity/visit or series of visits undertaken. This process is guided by establishment specific Standard Operating Procedures (SOP) documents which have been created to establish minimum standards and expectations for Visit Leaders.
- 8.2 These outline the minimum control measures that will apply to all such visits and off-site activities and have been drawn up by the Headteacher, EVC and other Senior Leaders. They will be brought to the attention of anyone undertaking the role of Visit Leader.
- 8.3 In assessing the risks presented by a planned visit or activity, the Visit Leader must judge if the controls described in the SOP are adequate for controlling the risks. For each visit/activity, add any additional control measures needed in the enhanced risk assessment column of the SOP document.
- 8.4 Any activities delivered by school staff falling within the definition of Category B (adventurous), will have a separate stand-alone risk assessment; Adventurous Activities Led by School Staff Risk Assessment.
- 8.5 This process will be undertaken by the Visit Leader who, whilst being supported by the EVC, will be competent and equipped to complete this task. To meet statutory requirements and to ensure sufficient communication with other staff involved, this risk assessment will be recorded using the risk assessment format on Evolve.
