

Brothers and Sisters all, a letter by
Pope Francis

On fraternal love
and social
friendship

*This is Fratelli
Tutti!*

*Hello everyone, today
we are going to be
talking about
Fratelli Tutti, a
letter sent to
everyone by Pope
Francis*

Opening prayer

Dear Lord,

Please help us to learn about fraternal love today,
So that we can show it to our friends and family in the
future.

AMEN.

What has Pope Francis said?

In the letter, Pope Francis tells us that it seems like we have learnt from the past disasters, like wars. And that we were working together towards a shared dream, to help our global family.

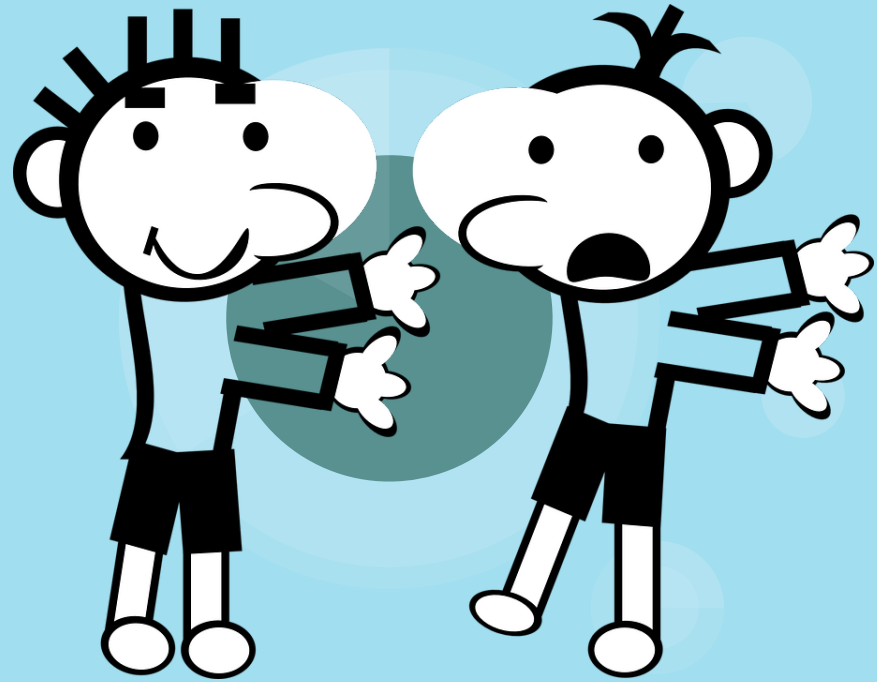

But now it seems as if things are going backwards, we are growing distant from one another, making it harder for us to make peace in the world. So we can't get closer to our global brothers and our sisters, our family and our neighbours,

We need
to LIVE as
one.

We should not see
others as
competitors,

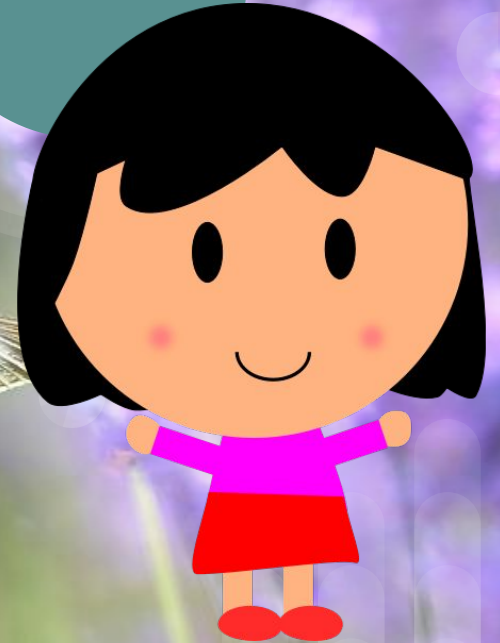

outcasts,

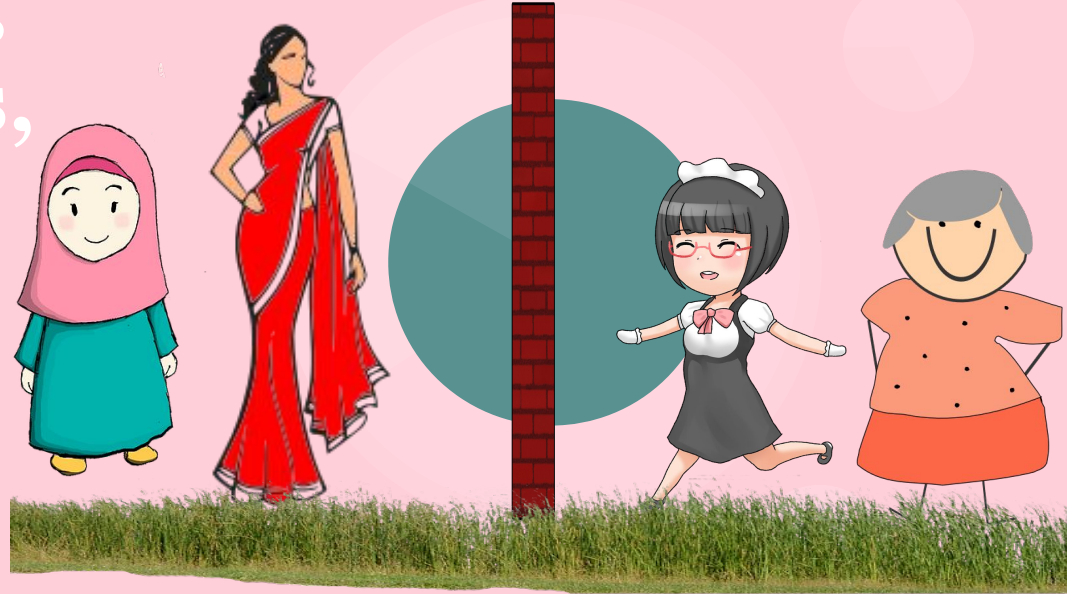

**Or as people who
“don't fit in”**

Some people tease
others, but everyone fits
in, and should be
accepted no matter who
they are.

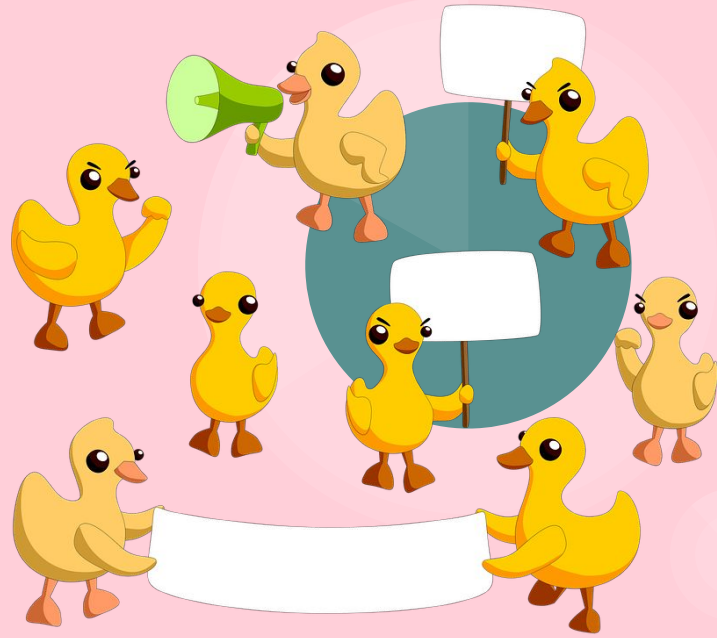

“We are building a culture of walls, walls of the the heart and walls on the land, that stop us from meeting with other people and other cultures.”

Next..

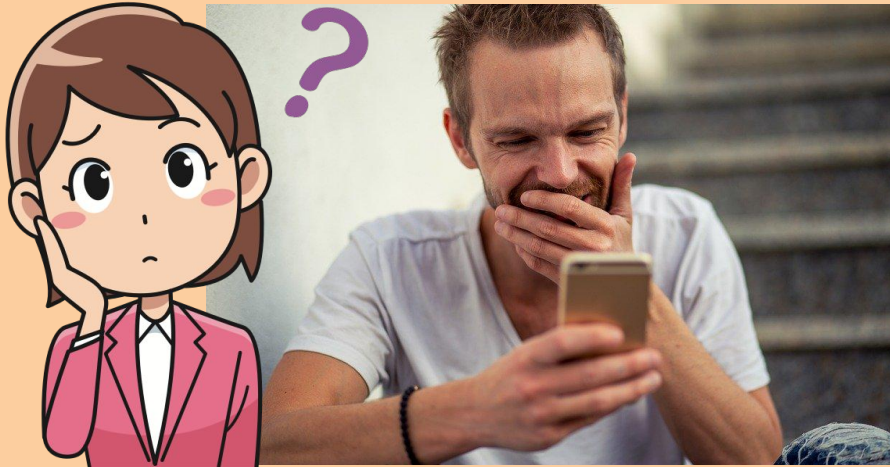

*We all have a
right to say
our opinion,*

**But we interrupt
each other and do
not listen**

And sometimes
screens and
devices can take
over...

***This is not positive
behaviour, this is
a negative
influence,***

But we
can fix
this!

*Because from now on, we will
brighten up, become part of a
single global family, and value
everyone, our global brothers
and sisters!*

The background of the entire image is a warm, golden sunset over a body of water. In the center, two hands are raised, their fingers interlaced to form a heart shape. The hands are silhouetted against the bright sun, which is positioned directly behind the heart. The overall mood is peaceful and loving. There are several semi-transparent decorative elements: a large teal circle on the right side, and a series of vertical bars of varying heights and shades of gray at the bottom right corner.

Pope Francis
wants us to show

Fraternal love,
Which means..

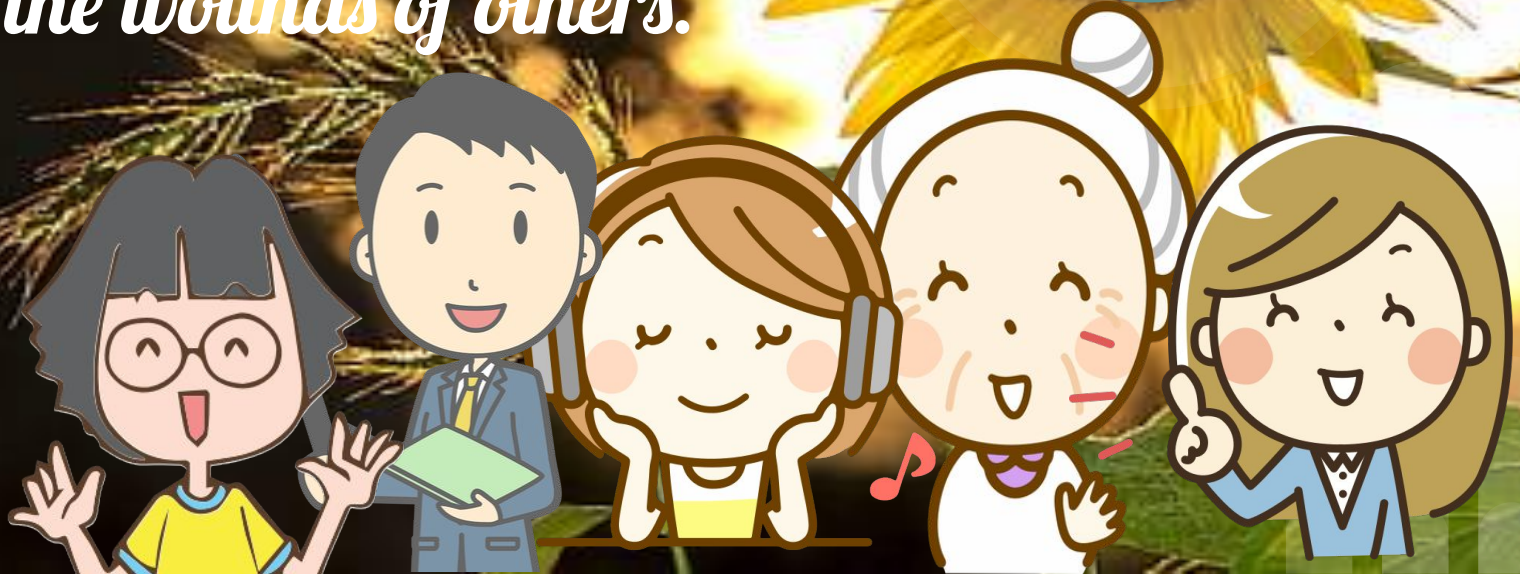

caring for every **man**
and **woman**, *young*
and *old*

Just like the good samaritan, who showed love to an injured man

No longer asking 'Who is my neighbour?' but instead becoming neighbours to all, bending down to touch and heal the wounds of others.

Friends

So let us come to
know, understand,
listen and speak
to each other, *no
matter who we are.*

So respect the human dignity of everyone, and be kind for the good of everyone too.

*Show fraternal
love today!*

Closing prayer

**Dear Lord,
Please help us to act like the good samaritan,
Caring for every man and woman on the planet.**

LET US SHOW FRATERNAL LOVE TO OUR NEIGHBOURS AND GLOBAL FAMILY, NO
MATTER WHO THEY ARE.

**Help us to be respectful and fair to one another
to benefit the world.**

Amen.
