

Commitment

By Lilly, Elsa, Zuzia and
Molly!

What does commitment
mean?

Commitment is
when someone is
dedicated to a
certain activity or
cause

Opening prayer

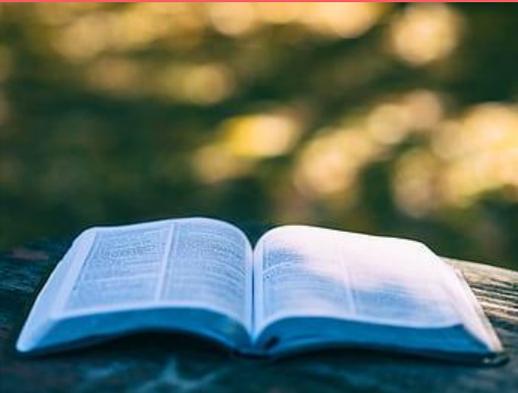

Dear Lord, please help us to be committed in our work and never doubt ourselves if things go wrong.

Please help us to stay true to you and your disciples

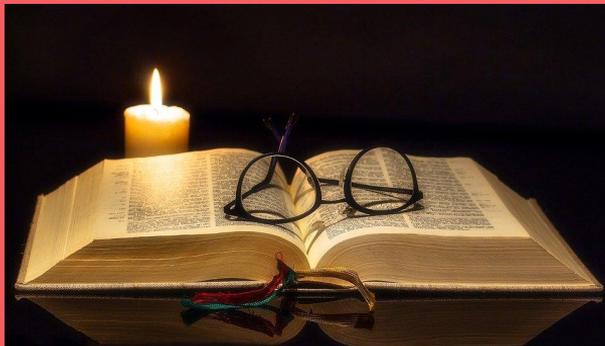

And help us to be motivated.

Amen.

Gospel Reading

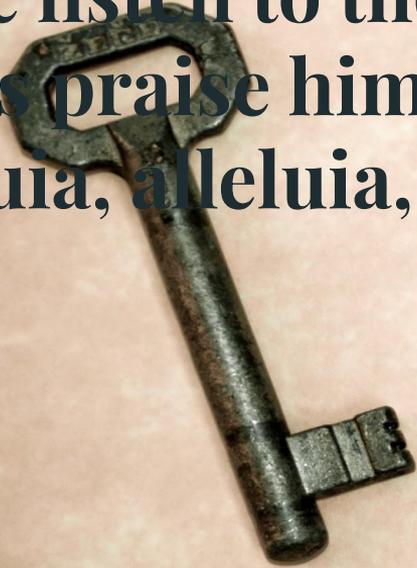

**Alleluia, alleluia praise the Lord
Alleluia, alleluia praise the lord,
As we listen to the story,
Let us praise him for his glory,
Alleluia, alleluia praise the lord**

Commit your work to the lord, and your plans will be established.

1 Kings 8:61. “Let your heart therefore be wholly true to The Lord our God, walking in his statutes and keeping in his commandments, as at this day.”

Alleluia, alleluia, praise the Lord
Alleluia, alleluia, praise the Lord
As we listen to the story,
Let us praise him for his glory,
Alleluia, alleluia, praise the Lord

**Have you ever
been committed
to something?**

.

**Here are some people
who are committed to
certain things.**

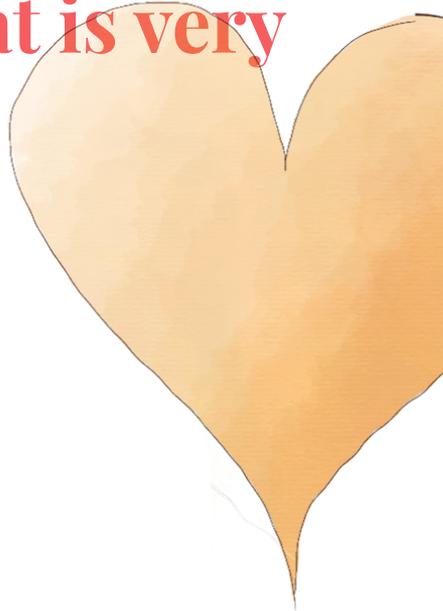

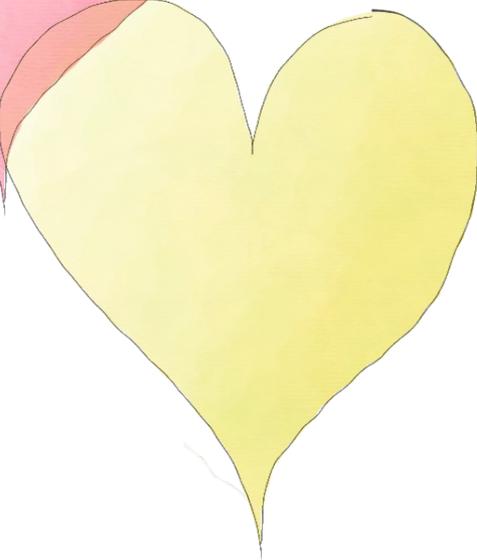

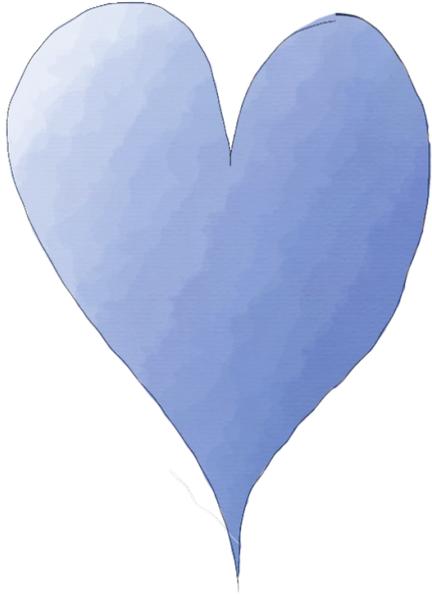

Muslims (and other religions) are committed to fasting, when they can't eat in the hours of the day

Artists are committed to doing their best in their art pieces.

Teachers are committed to teaching children and educating them.

Also, police, first aid, fire brigade and coast guards are committed to their jobs.

But there is one person in particular that is very committed and is still alive today

Pope Francis

Pope Francis is very committed to his religion and is very committed to God and praying. Pope Francis is also very committed to peace and harmony in the world. He shows concern for the poor, and says that God's love has no limits.

Did you know that Pope Francis has written 2 letters to the public? One about caring for our common home, and the other about love and fraternity. "Our common home has never been more damaged," he says, "and it's being polluted and mistreated." It does not have unlimited supplies, and we take it for granted.

Pope Francis' fraternity letter

Pope Francis is committed to love in the world. When he wrote his fraternity letter, he talks about how we need to become one global family and break the wall between different religions. We need to listen to each other, and work towards peace in the world, no one should live as an outcast.

Closing Prayer

Dear Lord, please help us to be more like Pope Francis, let's make a difference in our attitude to working.

We shall work hard, and try our best in challenges and activities.

Amen.

A vibrant field of red poppies stretches across the foreground, leading towards a horizon where the sun is setting. The sky is a mix of blue and orange, with wispy clouds and a prominent white contrail from an aircraft streaking across the upper portion. The overall mood is peaceful and inspiring.

Go Forth

Go forth, and share what you have learnt in today's assembly.

Tell your family and friends about Pope Francis, and his commitment to God and his job as a pope.

Let's be more like him!

That was how Pope
Francis showed
commitment in his
work

THANKS FOR LISTENING!
